

Warrior Athletic Club (WAC) ASA Softball

U8 Developmental Teams

The Warrior Athletic Club (WAC) ASA U8 Developmental Teams are designed to introduce young players to the game, and to begin building the basic skills required to compete, understand, and enjoy playing competitive softball. The players are encouraged to play in the Waukee Recreational Softball League. The developmental teams will be formed after the May 15, 2008 registration deadline. The plan is for the teams to start practicing in May (working around Recreational League schedules), and to play a few games and tournaments after the Recreational Softball League ends in early June. In addition, the WAC offers Fall Ball teams that play games in August and September, which is a great way to sharpen skills for the tryouts for the WAC competitive teams, which have usually been held right after Fall Ball ends in late September/early October.

U8 Developmental Team - For players 8 years of age and younger by January 1st of 2008. This level is Coach Pitch. Eventhough the coaches pitch to the players during games, the players are encouraged to begin pitching at this age to prepare for the move to U10, which is player pitch. The plan is to play scrimmage games against other local U8 teams if available and play in the U8 State Tournament being held in Des Moines on June 13-15, 2008. Another tournament will also be included.

Fall Ball - Registration for Fall Ball 2008 takes place in July. Fall Ball games are double-headers played on Saturdays and Sundays at the end of August and through September at diamonds around the area, such as Urbandale, Ankeny, West Des Moines, Indianola, etc. You can visit the Mid-Iowa Girls' Softball website at migsoftball.org for more information. The WAC forms teams for existing WAC players at the 10U, 12U and 14U levels. It is recommended if you are required to move up a level next spring due to your age (i.e.U10 to U12), you should play up this fall to get used to the rule changes and the different playing level. The teams for Fall Ball 2008 will be formed using these birth years:

10-Under - Players born in 1998 and later

12-Under - Players born in 1996 and 1997

14-Under - Players born in 1994 and 1995

Costs – The registration cost for the WAC Developmental Team is \$75 per player. This cost covers the players' ASA Membership & Insurance, a T-Shirt, Visor and two tournament entry fees. Fall Ball is a separate fee to be paid with registration in July.

Residency:

To be eligible to participate on one of the ASA teams you must reside within; or attend a school within; the Waukee School District.

Warrior Athletic Club (WAC) ASA Mission Statement

The Warrior Athletic Club (WAC) Competitive Softball Association's mission is to develop a championship girls softball program for the Waukee Community School District that encourages participation, excellence, sportsmanship, pride, and fun. We will accomplish and sustain this through player, coach, and facility development as well as fundraising and marketing with the assistance and cooperation of the parents and community.
